

Kansas, Pennsylvania and New York State, USA Oil Wells

3% Overriding Royalty

Approximately 2,400 producing wells

Operated by Empire Energy, Mai Oil, CHS Macpherson

High Peak acquired Planet Gas USA, Inc in December 2018 together with its portfolio of overriding royalty interests over oil wells in Kansas, Pennsylvania and New York State, USA. At acquisition, it was estimated the wells had a remaining production life of more than 20 years.

In the year to 30 June 2024, the Planet Gas USA royalties contributed A\$480,000 to High Peak's consolidated revenues.
