

## *Officer Basin* (WA EP468)

2% Overriding Royalty Interest

Area: 22,111 km<sup>2</sup>

Operated by Paltar Petroleum Limited

The permit is operated by Officer Petroleum Pty Ltd, a wholly owned subsidiary of Paltar Petroleum Limited which has a focus on unconventional oil and gas projects. Phoenix understands from publicly available reports that:

- Shale gas potential has been identified in a newly identified Mesoproterozoic sub-basin; and
- There is also potential for sub-salt structures that have analogues with onshore oil fields in Siberia and Oman.

High Peak has a 2% Overriding Royalty Interest over EP468.
